

Mr. Collier served for over twenty years as a police officer for the town of Mt. Carmel as a detective, and was a chief detective with the Hawkins County Sheriff Office. Randall was most recently an investigator with the Third Judicial District Public Defenders Office. He also served the county for over ten years on the Hawkins County Board of Education with the last six years as the Chairman of the Board.

Mr. Collier approaches his office viewing the justice system as a wheel. The center of the wheel is the Clerk of Courts Office with the "spokes" consisting of all branches of the justice system. These spokes include the District Attorney's office, the Public Defenders office, private attorneys,

judges, probation, law enforcement and you, the good citizens of Hawkins County who serve as the jury. The wheel must be stable and support all the spokes to help the wheel of justice turn.

Mr. Collier's goal for the office is to always be as a team, engaging all the branches of justice to provide service, respectability and accountability to the people of Hawkins County.
